English B1

PROFILE

3D Character Animator and Rigger with experience in video games and digital content, focused on creating character rigs and animations for gameplay and cinematics.

EXPERIENCE

3D Animator – Full-time | Realidad 360, Mafalda Immersiva VR | On-site, Buenos Aires, Argentina

- Character animation for an immersive VR experience based on Quino's Mafalda.
- Exported animations for implementation in Unreal Engine 5.
- Experience presented at the Centro Cultural Recoleta, Buenos Aires.

3D Animator & Rigger – Fulltime |Karak Games | Remote, Estonia

- Worked on Comic Rogue, an Unreal Engine 5 action rogue-lite prototype.
- Responsible for rigging, animating, and exporting the main playable character, enemy characters, and the final boss for in-game implementation — headed to Gamescom 2026.

3D Animator & Rigger – Freelance | Zelcar Games | Remote, Albuquerque, New Mexico, USA

- Character rigging and animation for Xera.
- Created locomotion, attack and emote animations.
- Exported and prepared assets for Unreal Engine.

3D Animator – Fulltime | Hornstromp | Remote, Spain

- Produced 3D animations for children's content.
- Acting, lip-sync and body mechanics adapted to different styles.
- High-volume production under demanding deadlines.

3D Animator & Rigger – Freelance | 3Destiny | Remote, Buenos Aires, Argentina

- Character and prop animation and rigging for interactive experiences.
- Asset preparation for Unity, WebAR and VR.
- Adaptation to different pipelines and technical requirements.

EDUCATION

Da Vinci Art School · Animation and Post-Production Technician Degree · Buenos Aires, Argentina | Completed.
